

***TEMPTATION:
Do We Take It
Seriously?***

Lenten Mid-week Sermon Series 2025

Do we take sin seriously? Do we take the devil, evil seriously? Do we take temptation seriously?

Temptation lures us, seduces us into evil. Temptations like pride, distractions, secret loves have great power. And one of the great and deadly tragedies of modern life is that we underestimate the power of temptation, of evil, of the devil.

Jesus took the devil, evil, the power of temptation seriously. He personally confronted Satan and his temptations at the beginning of His ministry. And Jesus confronted Satan by knowing and quoting Scripture. As it was for Jesus, the Word of God is our defense against sin, the devil and temptation.

Worship with us at our mid-week Lenten services as we study God's Word and TAKE TEMPTATION SERIOUSLY.
